

# 2021 CALENDAR PROGRAM

## Personalized Calendars are...

...a reliable and constant reminder of your store name and contact information, promoting your business every day of the year.

...useful and appreciated gifts, helping you to build goodwill and long-term relationships to keep customers, and their referrals, coming back to your store.

...one of the most cost-effective ways to advertise, and one of the few types of advertising your customers will ask for year after year!
